

Child Abuse Prevention License Plate program

The Child Abuse Prevention License Plate Program is a partnership between GOCYF and the Arizona Republic Charities and its funding partners. Since the program's inception in 2000, nearly \$4.1 million in grant funds has been distributed to agencies throughout Arizona.

The goal of this program is to raise funds for primary child abuse prevention — stopping child abuse before it occurs. Of the \$25 specialty license plate purchase price, \$17 goes directly to primary prevention efforts. In addition, the Arizona Republic Charities and funding partners provide a match of 50 cents on every dollar.

Plates are available for a \$25 initial application fee/ \$25 annual renewal. There are no special requirements to obtaining a plate; they may be ordered online at www.servicearizona.com and personalized with maximum of 7 characters. Plates are available with a disability symbol upon request.

The Arizona Republic Charities has released the RFP for the Child Abuse Prevention License Plate Program with a deadline of Friday, March 16, 2007.
